1. 登录前后界面展示

1.1. 初始界面：

打开 App，如下图所示：

1.2. 未登录前个人中心

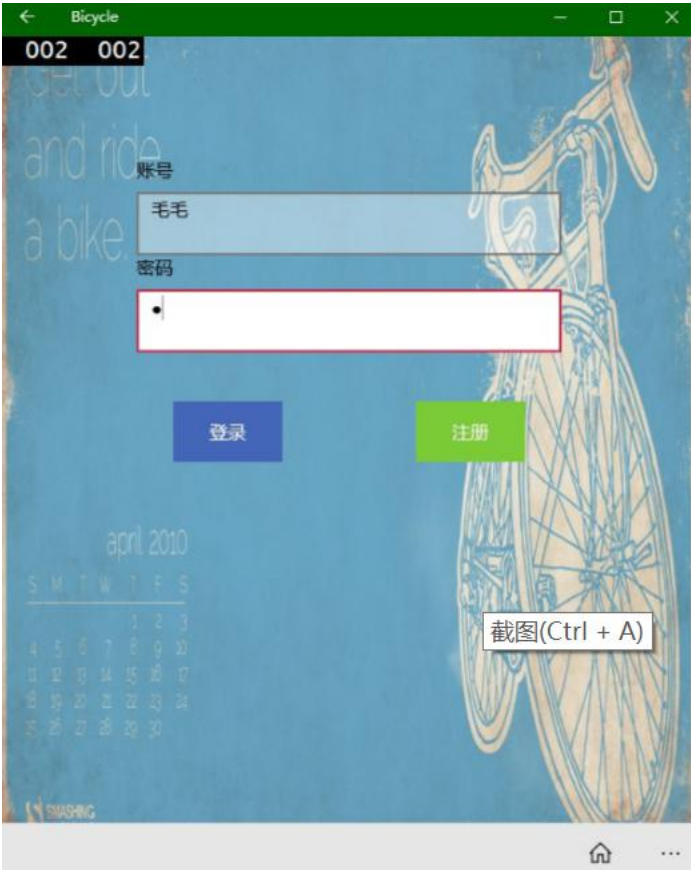

1.3. 登录与注册

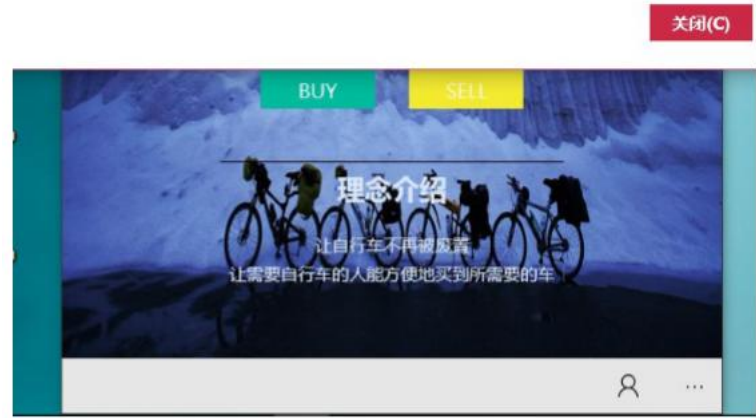

The screenshot shows a mobile application interface for registration. At the top, there is a green header bar with a back arrow, the title "Bicycle", and standard Android window controls. Below the header, a black bar displays the numbers "008 002". The background features a blue textured pattern with a bicycle illustration and the text "Get out and ride a bike". A circular inset image shows a close-up of a bicycle wheel. The registration form consists of several input fields: "请设置账号" (Please set account) with the text "毛毛" entered; "请设置密码" (Please set password) with a single dot; "请再次输入确认密码" (Please re-enter confirmation password) with the text "10"; "请输入联系电话" (Please enter contact phone number) with the number "18819254444"; and "请输入所在学校" (Please enter school) with the text "中大". A "select" button with a dropdown icon is positioned above the password fields. A "提交" (Submit) button is at the bottom right of the form. A calendar widget is visible on the left side of the screen. The bottom of the screen shows a home icon and a menu icon.
